International Trade Consultancy Service

Our team's extensive knowledge and first-class reputation in facilitating international trade, means you can trust us to take the lead when it comes to your trading requirements. Our in-house customs procedures experts and international trade team work closely with all GOV.UK departments to ensure you and your company remain compliant with the latest rules and regulations.

We've created a range of service packages to suit your trading requirements, from introductory low complexity guidance to a high complexity consultancy service. Whether you are importing exporting, our team are here to assist you through each step of the process.

Since January 2021, our team have responded to 1000s of enquiries from a diverse range of businesses looking for advice on all aspects of trading with the EU and worldwide.

To help North East businesses navigate the international trading landscape, we've partnered with a panel of trusted advisors to provide clarity, and offer guidance, on a wide range of trade related subjects.

This service is open to chamber members and non-members.
